

PRIMARY RETURNS TODAY WATCHED WITH INTEREST

WISCONSIN AND NEW HAMPSHIRE
HAVE BITTER FIGHTS FOR
SENATORIAL RENOM-
INATION

WISCONSIN SITUATION COMPLICATED BY WET AND DRY ISSUES, GERMANISM, NON-PARTISAN LEAGUE, ETC

ED L. KEEN,
(United Press Staff Correspondent.)

New York, Sept. 7.—Returns from today's primaries in a number of states will be watched with especial interest at the national headquarters of the two big political parties here particularly because of the position bearing on senatorial and congressional elections. Probably the greatest interest centers in Wisconsin and New Hampshire where Senator Irwin L. Lenroot and George H. Moses, both republicans, have been engaged in a bitter fight for renomination.

In Wisconsin the situation has been considerably complicated by the local issue including wet or dry, Germanism, railroad, nonpartisan league, etc., as well as intense factional party strife.

Although originally Lenroot was regarded as the protégé of LaFollette's the senior senator of Wisconsin, in the present campaign, has been endeavoring to accomplish the junior senator's retirement. LaFollette's candidate is James Thompson.

The only democratic entry for the senatorial nomination is Dr. Paul S. Deinisch, former dean of political science at the University of Wisconsin, who was appointed by President Wilson as minister to China.

The fact that women are voting in New Hampshire primaries for the first time, lends interest to the senatorial fight and especially as the supporters of H. N. Spaulding for the republican nomination had been playing up Senator Moses, who is opposed to woman suffrage and is irreconcilable on the league of nations. Spaulding is declared an advocate of the league with the Lodge reservations. One unique feature is the candidacy of Albert Noone for the democratic nomination for both United States senator and governor on a wet platform.

In the Nevada democratic primaries Senator Chas. B. Henderson is unopposed for renomination. On the republican side there are five candidates, including Tashert L. Oddie, Rev. Brewster, a Baptist pastor of Reno, and Grant Miller, formerly socialist candidate for senator.

In many other states the league of nations is regarded as the chief issue. Nevada again boasts of a woman candidate for senator in Miss Ann Martin, who is running independently.

Although Massachusetts is not choosing a senator this year there has been a lively fight for nomination for congressmen. For the gubernatorial nomination to succeed Governor Coolidge, Lieut. Gov. C. H. Cox is the only republican entry in today's primaries. The democrats have two candidates, John J. Wallace of Boston and Richard Long of Farmington.

One of the hottest campaigns has been going on in Georgia where the primaries are to be held tomorrow, where Senator Hoke Smith is opposed for the democratic nomination by Tom Watson, former populist.

DEMPSEY KNOCKED OUT BILLY MISKE IN THIRD ROUND

Benton Harbor, Mich., Sept. 7.—Jack Dempsey, heavyweight champion, demonstrated yesterday that he still retains the terrific punch that won him his title. He knocked out Billy Miske of St. Paul, a fighter as big and game as himself, in the third round of their 10-round match. Three hard smashes were sufficient to win him between \$50,000 and \$100,000, 50 per cent of the gate receipts.

At the start of the fight, his first in 14 months, Dempsey peeled off the same worn and patched red sweater that he wore when he knocked out Jess Willard. His face wore the same fighting frown, he danced about the ring with old time lightness of foot and finished up by taking the fight in the third round, as he did at Toledo. The third round went one minute and 13 seconds.

GOV. IN N. D. ON WESTERN TOUR

ADVOCATES CO-OPERATIVE BUY-
ING AND SELLING BY
FARMERS

HERBERT WALKER
(United Press Staff Correspondent.)

Grand Forks, Minn., Sept. 7.—Co-operative buying and selling by the farmers was advocated by Governor Cox in his first speech in North Dakota here early this morning.

The governor warned that measures must be taken to stop the trend from the farms to the cities or within ten years the United States will have to import foodstuffs.

New anti-trust laws stating just how far labor and co-operative farm organizations may go in their work should be passed, he said.

"The farmer must compete now with the manufacturer and for that reason they should be allowed to co-operate in purchasing and selling," Cox said.

He made his sharp attack on the big packers and cold storage interests, claiming that cold storage has been made an agency of profiteering.

An early morning crowd of about 2500 greeted the governor here at 8:30 this morning.

Cox said Harding's proposal to put the good features of the league of nations into reviving the Hague tribunal was like trying to hitch up a Ford automobile with a North Dakota ox.

The governor's party traveled by special train from Minneapolis to Grand Forks and through North Dakota. He was eating breakfast when he arrived at Grand Forks.

With his fighting spirit apparently increased as he was moving farther west, the governor was scheduled to make two more speeches in North Dakota today, at Devils Lake and Minot. Several unexpected platform speeches will be made.

Noticing an editorial saying his campaign was getting too rough, Cox told a Minneapolis crowd last night that the republicans have started squealing under his attack.

"This fight will not be a pink tea affair or a pillow fight and I intend to make it much warmer during the last month of the campaign," he said.

"They did not hesitate to jump on a sick man when he was down," he said, referring to President Wilson.

The governor in this section of the northwest is stressing the league of nations progress and charging that the republicans are raising a huge slush fund. In St. Paul and Minneapolis yesterday Cox's position on these issues were given a big demonstration of approval. Mention of President Wilson's name drew big applause in the Twin Cities.

Although Minnesota is normally a republican state political leaders are planning to size up the reaction of the visit of Cox to the Twin Cities yesterday and that of Senator Warren G. Harding tomorrow, which will be the first time during a campaign that two leading candidates have covered the

OF COACH

(United Press)

Little Falls, Sept. 7.—As Northern Pacific Train No. 9 pulled into the station shortly after noon today, a lady about fifty years old, unidentified, had all the passengers of one coach backed into one end and was flourishing a revolver. Special Officer Hub Freisinger was advised by wire just as the train pulled into the city and boarded the train. She swung around and said, "Get back there." "Don't bother me, lady; I don't know you," said the officer, throwing her off her guard and rushed forward grabbing her arms and placed handcuffs on her. She was taken to the county jail. She would not give her name and would give no reason for her action, except that her husband had been killed. She said she was from Nebraska and was on her way to Pine River to visit a son.

Cox Says He Will Not Interfere With 18th Amendment

Devils Lake, N. D., Sept. 7.—Governor James M. Cox stated here today that he does not intend to interfere with the eighteenth amendment. His statement is the first on the liquor question. It was made to a woman who questioned him on the prohibition question when he shook hands with her.

"My dear lady, I have always voted dry and do not intend to interfere with the eighteenth amendment," he said.

A large crowd greeted the governor where speeches were made at Larimore and here. Cox talked fifteen minutes at each place and shook hands with each one in the crowd. His appeal for the league of nations was met with a demonstration of approval. Several Indians were present here.

FREE MACSWINEY ON CONDITIONS

LLOYD GEORGE REPORTED WILL-
ING IF MURDER OF POLICE-
MEN WOULD CEASE

(By United Press)

London, Sept. 7.—As Lord Mayor MacSwiney laid in a comatose condition in Brixton prison on the twenty-sixth day of his hunger strike, Irish sympathizers awaited official confirmation of the report that Premier Lloyd George had proposed terms for his release.

The Liege correspondent of the Daily Mail reported the premier enroute from Lucerne to London and said he was willing to release MacSwiney if guarantees were made that murder of policemen in Ireland by Sinn Feiners would cease.

The latest word from the mayor's aide was that he was "very low."

London papers, who commented on MacSwiney's case today, differed widely in attitude. Most of them, however, believed MacSwiney's death would not make the situation in Ireland worse.

20 KNOWN DEAD, SCORES INJURED, IN HOTEL FIRE

FLAMES SWEEP BUSINESS DISTRICT OF KLAMATH FALLS,
TRAPPING MANY IN HOTEL

Klamath Falls, Ore., Sept. 7.—Ten persons are known to have burned to death here yesterday when fire swept the Houston hotel and part of the business district with a property loss estimated at more than \$300,000. Four other persons are unaccounted for and officials believe they may have perished in the fire.

Although 10 bodies had been recovered and only four persons were unaccounted for, it was thought many more may have perished, for the incinerated parts of many bodies were reported visible in the embers.

The Main street courthouse, an unoccupied building now in litigation, has been commandeered by the Red Cross where the refugees are being taken care of. Fifty cots have been installed therein. Organized labor has started a relief fund for the victims, the labor council here making the first contribution.

Sixteen bodies are believed to be in the ruins of the hotel. Seven guests of the hotel who escaped incineration are suffering from burns or injuries sustained from jumping.

Mrs. Mary Campore, to whom a baby was born only three days ago, threw the infant from a hotel window into a blanket held by rescuers, then jumped herself. The infant was uninjured but Mrs. Campore sustained painful injuries. She will recover physicians said.

SENATOR HARDING GOING TO ST. PAUL

TO MAKE ADDRESS AT MINNESOTA STATE FAIR—STOPPED AT CHICAGO

RAYMOND CLAPPER,
(United Press Staff Correspondent.)

Aboard Senator Harding's Special Train, Sept. 7.—In deserting his front porch in Marion, Senator Harding today for the first time since his nomination, took to the stump and was speeding across Ohio and Indiana to open the republican offensive in the northwest with a speech at the Minnesota State Fair tomorrow, which was the only set address. He was expected to be called on to make several rear platform speeches enroute.

Harding does not plan to stop at Chicago. He will stop at Englewood suburb about two o'clock today and will motor to Fort Sheridan to see General Wood, who was republican candidate for president. He will avoid passing through downtown Chicago.

Harding will board the train again at Sealed and continue to St. Paul, arriving early Wednesday. Senator Harry S. New, chairman of the republican speakers bureau, will join the party at Chicago.

Harding indicated today he does not intend to be drawn into any specific commitments regarding the course to pursue as president toward the league of nations, or the reorganization of the Hague tribunal.

Will Stop at Chicago

Early plans for Harding to dodge Chicago were changed while he was enroute and an order issued for the party to proceed to Dearborn street station. Early arrangements were for the train to stop at Englewood. The Illinois political situation caused the shift in arrangements.

COX'S PERSONAL REPRESENTATIVE HAS NO EVIDENCE

SAYS HE IS THERE ONLY TO GIVE
COMMITTEE A LEAD TO
FIND EVIDENCE

L. C. MARTIN
(United Press Staff Correspondent.)

Chicago, Sept. 7.—The senate committee investigating Governor Cox's charges of a republican slush fund "is not seeking the best evidence it can get." E. H. Moore, Cox's personal representative charged today on the witness stand before the committee.

Moore said the committee could get the first hand evidence from many men proving his charges that the republicans "were preparing to raise a fund, not of \$15,000,000 but \$16,000,000 while his evidence would be second hand.

With considerable heat Moore told the committee that if it wanted evidence it should call the men "who are in the confidence of the republican leaders, I am not".

Moore said he came to Chicago at Governor Cox's request to furnish "leads" to the committee.

"Has Cox any evidence in addition to what you bring?" asked Senator Kenyon.

"I don't know but I think not", said Moore.

"I will give you the evidence that before last January a plan was perfected by the republicans to raise \$16,000,000. In pursuance of that plan a ways and means committee was formed headed by Wm. Bryce Thompson."

Moore was interrupted and asked to tell specifically about Cox's charges in Ohio.

He said Fred Miller, of Columbus, had charge of the fund that was raised in Ohio and ways and means committee named in city and country were largely "scenery", Moore said. The real work he declared was done by big money raisers under the direction of Harry M. Blair, assistant treasurer of the republican national committee.

Moore named C. W. Lee and Henry E. Owens of Chicago as two of the seven regional directors he said were in charge of the professional money raisers.

Moore submitted many names of men of states who he said could be forced to testify under oath concerning his charges. Ohio, Illinois, Massachusetts, Kansas and Utah were states from which he suggested men be called. Some of these men, he said, belong to the "unpaid white shirt" money-raising committee under command of Col. Boyce Thompson. Others he declared, were professional money raisers formed by other hands of dual organizations under command of Harry M. Blair, assistant treasurer of the republican national committee. All those he named to the committee will be called, Senator Kenyon, chairman, announced.

At the very outset Moore and republican members of the committee began to quarrel. Moore said he had no personal knowledge of the facts covered by his charges. Moore charged the committee with "not trying to get the best evidence" they could, while the republican committeemen in turn charged him with trying to pass off hearsay rumors as evidence.

Elimination of Cox as a witness was made practically certain by Moore's trusted with all the evidence Cox had statement that he believed he was in and the governor's presence could not make anything vital.

Sub-Committee Hearing Testimony on Campaign Expenditures 37 Rescued After 43 Hours From This Submarine's Sister Ship

After being crippled and submerged fifty-five miles out and south of the Delaware Capes for forty-three hours, the submarine S-5 was brought to the surface and thirty-seven men on board were rescued by naval vessels which answered wireless messages sent by the army transport General Goethals. An amateur wireless operator at Farmington, Conn., picked up the S. O. S. from the General Goethals which resulted in the rescue. It was a small buoy, a development of the world war, together with the vigilant eye of a lookout on the transport, that gave the imprisoned men a chance for life. This small buoy, with a bell and a buzzer device that can be operated when the boat is submerged, is

part of the equipment of late type submarines. It was cast loose when the S-5 went down and the crew of a small boat from the General Goethals was able to communicate with the submarine. Here is a photograph of the S-16, a sister ship of the rescued undersize boat, showing the crew above deck.

NEWGORD-KOOP

Over a Hundred Guests at the Wedding of Miss Matilda C. Newgord and Arthur L. Koop

Miss Matilda Crystal Newgord, daughter of Mrs. Mary Newgord of Oak Lawn, was married Saturday evening at 8:30 o'clock to Arthur Lewis Koop, son of Mr. and Mrs. J. W. Koop, at the parsonage of St. Francis Catholic church, Rev. Father J. J. O'Mahoney officiating in the presence of relatives.

The bride was radiantly lovely in a gown of silver cloth and tulle of rainbow colors with hat to match. She wore gold slippers and carried a shower bouquet of white roses and lilies of the valley.

The bridesmaid, Miss Emily Lewis, wore flesh colored organdie with a hat to match. The best man was Robert Trent.

At 9:30 p. m. the reception was held at the home of the bride's mother, and was attended by over a hundred friends and relatives. The bride couple stood under a wedding bell of roses, smilax, ferns and daisies. Ferns and cut flowers of all kinds decked every room in the house.

The ushers were Miss Corna Stickney and Miss Delia Koop. The wedding supper was served in spacious rooms of the residence and on the veranda and assisting in serving were the Misses Sigrid Carlson, Lillian Engbretson, Gertrude Peterson, Gerda Peterson, Lillie Gilbertson, Amy Gilbertson.

A room in the house was used to contain the many presents, cut glass, silver, pictures, etc., showered on the happy couple.

The residence and grounds was specially wired for electric light, current being furnished by George J. Johnson with a portable Delco plant.

Among the out of town guests were Mr. and Mrs. Al Linnemann of Duluth; Mr. and Mrs. Harry Koop, Mr. and Mrs. Wm. Bergeman, Mrs. O. P. Erickson, Mr. and Mrs. Sevefn Koop, Mr. and Mrs. Herman Linnemann of Crosby; H. W. Linnemann of Minneapolis; Mr. and Mrs. E. A. Berg of Little Falls; Mr. and Mrs. Earl Koop of Riverton; Miss C. Loo of Staples; Mrs. Ben Lane of Bemidji; Mrs. H. W. Matchon of Denver, Col.

The bride has a large circle of friends in Long Prairie, Little Falls and Brainerd where she gradually rose from bookkeeper and stenographer in banks to teller at the Citizens State bank of Brainerd. The bridegroom is a veteran of the world war serving overseas and is assistant cashier of the Brainerd State bank.

Thoughtful friends of the couple took particular pride in playing all the tricks possible. There was a charivari which sounded like a boiler-ship. The newlyweds motored in a large touring car to the depot and were followed by a car of American Legion men trailing 150 feet of cans of all descriptions. All the guests

followed in their cars, making quite a procession.

At the depot the bridegroom was twice kidnapped by friends, showers of rice were thrown at the couple and their suit cases appropriated and given to the porter to restore to them at Staples.

The bride wore a dark brown traveling suit with hat to match. In

their wedding trip they will visit her brother and other friends and relatives in Iowa and Chicago. They will be at home after October 1 at apartments in the Koop block.

The Dispatch joins their many friends in extending best wishes for their continued happiness and prosperity.

Facts You Know About Certain-teed

Certain-teed Roofing has made good everywhere. When you buy Certain-teed you know exactly what you are getting.

You don't have to take anybody's word for it. You don't have to taste it or smell it or twist it or tear it. Those tests are pure bunk anyway.

All you have to do is to see the name Certain-teed on roofing to know that it is good roofing.

Certain-teed Roofing has never been known to wear out on the roof. It is guaranteed for 5, 10 or 15 years, according to weight. It is weather-proof, fire-retarding and spark-proof.

Now, what do you know about private brands? You don't even know who made them.

Don't Take a Chance

Why guess on the merits of private brand roofing? It may be alright, but can you afford to take a chance?

If you are willing to buy cheap roofing, get it at a fair price. We make a third-grade roofing, called Guard Roofing, which gives satisfaction where long life is not required. It is priced and sold strictly on the basis of third-grade roofing—and it looks as good as any.

Any responsible dealer can get either Certain-teed or Guard for you quickly from a nearby Certain-teed warehouse or jobber. He gets it when he wants it and he gets what he wants. He can afford to sell you at a fair price.

Quit Laxatives, Purges; Try NR

NR Tonight—Tomorrow Feel Right

It is a mistake to continually dose yourself with so-called laxative pills, calomel, oil, purges and cathartics and force bowel action. It weakens the bowels and liver and makes constant dosing necessary.

Why don't you begin right today to overcome your constipation and get your system in such shape that daily purging will be unnecessary? You can do so if you get a 25c box of Nature's Remedy (NR Tablets) and take one each night for a week or so. NR Tablets do much more than merely cause pleasant easy bowel action. This medicine acts upon the digestive as well as eliminative organs—promotes good digestion, causes the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates kidney and bowel action and gives the whole body a thorough cleaning out. This accomplished you will not have to take medicine every day. An occasional NR tablet will keep your body in condition and you can always feel your best.

Try Nature's Remedy (NR Tablets) and prove this. It is the best bowel medicine that you can use and costs only 25c per box, containing enough to last twenty-five days. Nature's Remedy (NR Tablets) is sold guaranteed and recommended by your druggist.

THE REVERSIBLE LEGISLATURE.

The Tennessee legislature, which in the opinion of most Americans covered itself with glory by its ratification of the suffrage amendment, has dimmed that glory by its subsequent action. The fleeing of a group of legislators over the line immediately after the vote, in a futile effort to hinder the technical completion of ratification formalities, was hardly a spectacle to win admiration in any quarter. The amazing reversal of its vote by the house of representatives, on the return of the absconding members, added to the confusion and disillusionment of the public, without interfering, apparently, with the net result.

The governor certified the act of ratification, the federal secretary of state promptly proclaimed the suffrage amendment in effect, and most people thereupon regarded the matter as settled, and so regard it still. It does not seem possible that any legislature, after having voted to ratify a federal amendment, can reverse its vote, especially after the federal government, acting on the vote as one of the requisite three-fourths, has declared the proposed amendment in effect. If such reversals were permitted, constitutional amendments would be always at the mercy of legislative whims and grudges in some state or others.

It may be necessary, however, to have the issue settled with finality by the highest authority, the United States supreme court. The sooner such action is taken, the better, in order that there may be no shadow of doubt as to the legality of the feminine vote in November.

RESULTS FROM SUFFRAGE

Plans are under way in every community to make direct appeal for the women's support for all sorts of measures. Whether those who are backing the measures expect it or not, the interest they are attempting to arouse will not die the moment the feminine vote is cast.

In one city the women are to be appealed to directly to support an increase in the tax rate. The rate now obtaining has been in existence since 1911, and the housewife voter will be asked to consider what it would mean to try to run her house on the same budget with which she ran it nine years ago.

The women will doubtless vote for

the raise, but their interest will not stop there. They may demand in return that the civic funds be disbursed with the same economy and honesty with which they run their households, and may follow the thing up to see that it is done.

This attitude on the part of all the voters is all that is needed to insure honest and efficient conduct of civic affairs.

And now women will never be able to tell whether they are loved for their votes or for themselves alone.

ALL-HOME TEAMS TO PLAY IN CITY

Brainerd All-Homers are Matched Against Little Falls Simon Pure Home Aggregation

AT KOERING GROUNDS SEPT. 12

Last Baseball Game of the Season to be a Benefit for the Brainerd Baseball Team

Business Manager I. C. Strout of the Brainerd baseball club has wired Little Falls accepting Sunday, Sept. 12, for an All-Home Little Falls team vs an All-Home team of Brainerd game at the Koering grounds at 3 p. m.

Each team looks after its own expenses and Brainerd's share of the receipts goes to the benefit of the Brainerd baseball club, all Brainerd players giving their services free.

This will be the last baseball game of the season and as such ought to draw a good crowd.

Little Falls has always boasted of better home talent and September 12 will mark the occasion when the claims of rivals can be measured out to the dot. Pete Newman will be captain of the down river team and expects to be in shape to pitch.

Brainerd's line-up will soon be announced.

AMUSEMENTS

At the New Park Theatre
 Charles Ray, the screen favorite, is a stickler for realism. When he saw that "Paris Green", his new picture, called for scenes on a farm, he insisted that the whole company journey to a real farm to make them.

So it happened that one day recently Charlie Ray, in overalls and broad brimmed hat, was industriously pitching hay into a farm wagon while a camera clicked merrily. Movies were new to that particular neighborhood, and a crowd of spectators looked on from just out of the camera's range. Now Charlie has played farmer boy heroes in innumerable pictures. He is husky and strong and an expert with the pitchfork. A certain bewickered individual among the spectators appraised his skill with an approving eye. When the scene was finished, he motioned Charlie to one side.

"Say young feller", said the farmer confidently, "how'dja like to cut out this here prancing in front of that contraption and come down to my farm a hired man and do some real hayin'. I pay my help good money—eighty a month and board!"

Charles declined with thanks. "Paris Green" will be shown to-day at the New Park theatre.

NORTHWEST NEWS

Today is St. Paul Day at Fair
 St. Paul, Sept. 7.—Today was St. Paul day at the Minnesota state fair. Fair officials looked for a smaller attendance than usual, however, because of the big crowds that attended the fair Labor Day.

The program today included horse racing.

A record attendance is expected tomorrow when Senator Warren G. Harding, republican nominee for president, will speak.

Annual D. A. R. Congress

St. Paul, Sept. 7.—Daughters of the American Revolution of Minnesota, held their annual congress here today. Members will attend the Minnesota state fair, and be guests of the G. A. R. and D. A. R. hall while there. Business sessions will be held in a downtown hall.

Survey Parochial School Resources.

St. Paul, Sept. 7.—More than 500 Catholic priests and laymen were here today for a conference with Archbishop Dowling of the St. Paul diocese on the survey of parochial school resources. Every parish and mission in the archdiocese is to be represented by from one to three, who will report the needs of their respective communities.

A campaign will start in October to raise more than \$4,000,000 for Catholic educational institutions in the diocese.

New Rockford Fights for Capital

Bismarck, Sept. 7.—New Rockford's fight for the capital will be revived at least temporarily today when attorneys for that city argue before supreme court reasons for vacating the judgment four years ago in which that court refused to allow the matter to go on the ballot. It was thought the movement was quashed some weeks ago when Justice Robinson instructed the clerk to refuse to entertain the motion for vacation of the judgment.

Other cases of state-wide interest before the full term of the U. S. district court here is a libel case of Attorney General Langer against the Courier-News of Fargo; an appeal of the case of L. J. Wehe, former Devils Lake lawyer, versus the state compensation board. Mr. Wehe was dismissed from the board by Gov. Frazier, but refused to consider himself discharged and demanded salary. The lower courts sustained his claim, and the board appealed the case. The libel case is set for Sept. 13 and the Wehe case for Sept. 14.

S. S. Union Meets

Grand Forks, Sept. 7.—Rev. J. O. Ferris, Minneapolis district superintendent of Sunday schools, will preside at the annual meeting of the Northwestern District American Sunday school union here Sept. 7-13. A prominent visitor will be Rev. K. P. Williams, Philadelphia, nation-wide secretary.

Irritation and Breaking Out Often Healed Over Night, Says Skin Specialist

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Mentho-Sulphur heals eczema right up, leaving the skin clear and smooth. It never fails to relieve the torment or disfigurement. A little jar of Mentho-Sulphur may be obtained at any drug store. It is used like cold cream.

Big Community Picnic Staged at Tom Russell's Place North of Merrifield Monday

BRAINERD SPEAKERS THERE

Under Awnings Were Displayed Farm Exhibits of Many Kinds. Prizes Were Awarded

Partaking of the nature of a harvest home picnic, the Labor Day celebration at Tom Russell's place north of Merrifield attracted many from town and countryside so that it assumed the proportions of a veritable community affair.

There was a noteworthy display of farm products in tents and under awnings. Prizes were awarded boys and girls contesting. There was a program of races and other sports.

The speakers of the occasion were Rev. E. A. Cooke of the First Methodist church of Brainerd who spoke on "Farming as Viewed from the Pulpit"; M. E. Ryan, Brainerd attorney, who spoke on "Hardships of Women on the Farm and How to Ameliorate them"; and E. G. Roth, county agricultural agent, who told of work done by the Farm Bureau and future plans.

There was music and singing, fine numbers being contributed by the Misses Green and McDonald. Largely instrumental for the success of the celebration were Frank Peabody and A. C. Taylor.

FORMER BRAINERD GIRL WEDS

Miss Ailene O'Connor Becomes the Bride of Walter A. Tetzlaff in Minneapolis

A very pretty wedding occurred on Thursday evening at St. Steven's parsonage when Miss Ailene O'Connor of Minneapolis, formerly of Brainerd, became the bride of Walter A. Tetzlaff of Minneapolis.

The bride wore a suit of henna duvety with hat to match and wore a corsage bouquet of bridal roses and baby breath, with ferns.

The bridesmaid wore a suit of brown tricot with a corsage bouquet of sweet peas and baby breath. Mr. and Mrs. Chester O'Connor, brother and sister-in-law of the bride, were the attendants.

The wedding supper was served at the home of Mr. and Mrs. H. J. Williams, 2547 Blaisdell Avenue, brother-in-law and sister of the bride.

The couple received many handsome presents, including cut glass and silver. They left for Des Moines, Iowa, and Chicago and other points and will be at home to their friends after Sept. 15 at the Nicollet Apartments, 2507 Nicollet Avenue.

The Dispatch joins their many friends in extending best wishes.

PREMIER SHOWING OF "THE PENALTY"

Manager F. S. Workman of New Park Theatre Has Arranged With New York for Production

WHICH STARS LON CHANEY

"The Penalty" is a Photo Version of the Famous Story Written by Gouverneur Morris

According to Manager F. S. Workman of the Brainerd Theatre Amusement company, theatre goers of this city are to have a real big picture for its premier showing, a picture due to cause more of a sensation than "The Miracle Man", in fact any of the past big pictures.

The picture referred to is "The Penalty", the photo version of the famous story by Gouverneur Morris, the star part being played by Lon Chaney, the one who played the part of the "Frog" in "The Miracle Man". The latter film play gained the distinction of coming nearest to photographing thought, and if "The Penalty" exceeds "The Miracle Man" in portraying vividly the innermost emotions, it will create a furor indeed.

Manager Workman has arranged with New York to have the premier showing, so that citizens of Brainerd will be first of the American public to view and pass on this wonderful attraction.

Tollefson-Marshall

Miss Mabel C. Tollefson, daughter of Ole Tollefson of Klondyke, and Robert W. Marshall were married at the Bethlehem Lutheran church of South Seventh street at 10 o'clock Tuesday morning, Rev. M. L. Hostager officiating in the presence of relatives and friends.

The bride was gowned in white satin and carried a bouquet of bridal roses. The attendants were Miss Tressa Marshall, a sister of the bridegroom and Arthur Tollefson, a brother of the bride.

The bride is a charming girl with many friends. The bridegroom is employed as a papermaker at the local paper mill. The happy couple went to Minneapolis on their wedding trip and will be at home after Sept. 15 at 510 Elm street.

Peoples Congregational Aid

The Ladies Aid society of the Peoples Congregational church will be entertained at the church parlors on Wednesday afternoon, Sept. 8, by Mrs. Peter Forsberg and Mrs. J. Anderson. Visitors are cordially welcome.

MCCREE MOOS CO. MAKE PAVING RECORD

Crew at Big Lake Breaks World Record by Laying 1766 Square Yards in Ten Hours

PREVIOUS HIGH MARK 1488 YDS.

Feat is Attributed by Charles J. Moos to a New Design Cement Mixer and Special Truck

After operating for two weeks on Federal aid road project No. 114, near Big Lake, the McCree Moos company paving crew of St. Paul broke the world's record Saturday for ten hours' work by laying 1,766 square yards of state highway paving. The previous high record was 1,488 square yards made on a similar project near Detroit, Minn.

Charles J. Moos, president of the company, attributes the feat chiefly to a new design of cement mixer and special truck. The cement mixer affords a larger output of mortar, the truck replacing wheelbarrows used extensively in paving operations.

Mr. Moos said that with additional trucks which will be in operation soon he expects to be able to lay as high as 2,000 square yards of paving daily. The daily average at the present time on the Big Lake project is from 1,000 to 1,200 square yards.

The McCree-Moos Co. is paving Oak street road from the Four Mile corner to the section previously completed near town. It is reported a new mixing plant is to be put up and new trucks used so that the job can be carried on with the expedition shown at the Big Lake Project.

Houston explained that the game Thursday is sure to be closely contested, and he wanted to prevent any outcrop of ill feeling and deemed it advisable not to take the star pitcher along. He was slated to pitch against the Athletics here this afternoon.

FALLING ROCK KILLS THREE AT NIAGARA FALLS

A Safe Medicine for Children

Children who throw covers off at night, play in water, and neglect ordinary precautions are likely to catch cold in summer. Summer colds are wearing and weakening. Foley's Honey and Tar is a genuinely good cold, cough and croup medicine for children because it contains no opiates. H. P. Dunn. mwf

Growing Plants on Sponge.
An interesting experiment is the growing of plants on an old sponge. Procure an old sponge and, after soaking it in water, sprinkle in the holes a mixture of cress, mustard, rape, wheat and grass or flax seeds. Now suspend this sponge in the window of a light and warm room. Very soon the seeds germinate and in a week or two the entire sponge will be clothed with a mass of beautiful foliage. The sponge must be kept moist.

Banker's Friends Elated

"Twelve years ago I became afflicted with stomach trouble which steadily became worse. I frequently became prostrated with colic attacks and bloating. My doctors wanted to operate for gall stones. I wished to avoid an operation and on advice of a friend tried May's Wonderful Remedy with excellent results as since taking it about 2 years ago my trouble has entirely disappeared." It removes the catarrhal mucus from the intestinal tract, and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded at Johnson's Pharmacy and druggists everywhere.

He was a good Judge— after all

WHEN I was a kid,
I USED to believe,
THE JUDGE next door,
WOULD PUT me in jail,
FOR PLAYING hooky,
OR SWIPING apples,
AND I really behaved,
WHEN HE was around,
AND EVEN today,
I'M a little scared,
OF THE stern old boy,
SO IN his office,
THE OTHER day,
I HAD to wait,
AND WANTED to smoke,
AND I was afraid,
THE JUDGE would get sore,
BUT I took the chance,
AND LIT a cigarette,
AND THE judge came in,
AND LOOKED at me,
AS THOUGH I'd been caught,
BURGLING HIS safe,
AND HE came up,
WITH A solemn frown,
AND SAID, "Young man,
NO SMOKING here,
UNLESS THE old boy,
IS SMOKING too,"
AND DARNED if he didn't,
SMILE AND say,
"GIVE ME one of those,
SATISFY CIGARETTES."

A GOOD judge of cigarettes will find evidence of expert care and skill in Chesterfield's exclusive Turkish-Domestic blend. Not only are the tobaccos of especially choice selection, but, in blending them, our experts have obtained a new smoothness of flavor that easily doubles the pleasure of smoking.
